Why Donate to the Library?

The library is the cornerstone of any community. It provides access to endless information, entertainment and services, and is an economic asset to the area it serves. By making a donation to purchase materials in honor of a loved one you can help expand the library’s selection of materials in a thoughtful and meaningful way. These purchases benefit the entire community for years to come. Thank you for considering a gift to the Webster Public Library.

Other Opportunities to Give:

- **Join the Friends of the Webster Public Library**
  Memberships are $10.00 per year for a single or $15.00 per year for a family membership. Seniors age 60 and older are $5.00 per year.

- **Book donations and other items**
  The Friends of the Webster Public Library also accepts donations of books, audiobooks and DVDs.

- **Webster Library Foundation**
  The library is grateful for those in our community who have left a lasting legacy, via bequest, planned giving or a will.

Make a donation. We will purchase a book and place a book label with your family or friend’s name inscribed that will live in our library collection.
